Vrn. NITSW1204629

Developed by the award-winning id Software, Quake® is the groundbreaking, original dark fantasy first-person shooter that inspires today's retro-style FPS games. Now, experience the authentic, updated, and visually enhanced version of the original.

Experience the Original Game, Enhanced  
Enjoy the original, authentic version of Quake, now with HD\* and widescreen resolution support, enhanced models, dynamic and colored lighting, anti-aliasing, depth of field, the original, atmospheric soundtrack and theme song by Trent Reznor, and more. There's never been a better time to play Quake.

Play the Dark Fantasy Campaign  
You are Ranger, a warrior armed with a powerful arsenal of weapons. Fight corrupted knights, deformed ogres and an army of twisted creatures across four dark dimensions of infested military bases, ancient medieval castles, lava-filled dungeons and gothic cathedrals in search of the four magic runes. Only after you have collected the runes will you hold the power to defeat the ancient evil that threatens all of humanity.
